West End Trolley

The original Winston-Salem Street Railway began running July 14, 1890 and provided electric streetcar service to the growing towns of Winston and Salem.

Today the West End Trolley provides convenient transportation through downtown Winston-Salem, and to WSTA's Park & Shuttle North Lot, located at 7th and Marshall Streets.

These modern replicas of the original Winston-Salem Street Railway Trolleys run on 25 minute intervals. The West End Trolley operates Monday through Friday, beginning its service from the Park & Shuttle North Lot from 6:30 am and will operate until 7:51 pm. If you want to jump on just to get a view of what Downtown Winston-Salem has to offer, it only costs \$ 1.00 to ride!
