WE NEED YOUR FEEDBACK ON PROPOSED CHANGES TO WSTA BUS SERVICE

Tuesday, February 24
5:30 – 7:30 P.M.

Central Library,
660 W. 5th Street, Winston-Salem, NC 27101

We are proposing updates to our bus network to help more people get where they need to go faster. These service changes include faster travel times, new and modified routes, as well as route eliminations, and finally microtransit in some areas.

The Plan

Run our most popular routes more often!

These routes would run every 30 minutes:

**81, 86, 89, 92, 93
96, 103, 105**

Make routes more direct!

These routes would cut a few stops to complete their trips faster:

87, 93, 104

Test out a new Microtransit Zone to replace Route 97.

Microtransit works like a rideshare service.

Discontinue some less popular routes:

**82, 88, 97, 101
102, 108, 109**

Introducing WSTA-X, your premier job line!

These two new crosstown routes will skip Downtown to connect people and jobs, running every 30 minutes. WSTA-X North would go from Wake Baptist Atrium Health through the Hanes Mill area . WSTA-X South would go from Salem Gardens to Hanes Mall.

We need to hear from you to make sure these changes will work. Take our survey!

We look forward to seeing you there!
